

FISCAL NOTE

SB 2767 - HB 2733

February 6, 1998

SUMMARY OF BILL: Deletes the requirement that a birthing institution forward a copy of the original signed paternity acknowledgement to the child support collection agency where the mother resides.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - Not Significant

This bill could increase the amount of time for the Department of Human Services or the Title IV-D child collection agency to establish paternity. This could delay and reduce the amount of child support collections and recoveries from responsible parties, however the amount of such reductions is estimated to be not significant.
